

## **Parks and Recreation Director City of Two Rivers**

The City of Two Rivers, Wisconsin, an historic and progressive Lake Michigan community, seeks an enthusiastic and experienced professional to head its Parks and Recreation Department.

Position is in charge of the City's Parks, Recreation and Cemetery operations, with an annual operating budget of \$1.5 million, 12 full-time employees and numerous part-time and seasonal staff. Facilities include community center, senior center, two cemeteries, and approximately 170 acres of park lands.

Two Rivers has invested considerably in its Parks and Rec facilities in recent years, with major upgrades to its Lake Michigan beach, boat launch, waterfront parks, recreational trails and ball fields. City leaders view these facilities not only as major quality of life assets but also economic development assets for the community.

Position involves considerable interaction with community groups and organizers of local festivals and special events. The City is very proud of its partnerships with local organizations that have earned Two Rivers a strong reputation for quality special events.
