

REQUEST AND AUTHORIZATION FOR PLACEMENT OF DUMPSTER/STORAGE CONTAINER IN PUBLIC RIGHT-OF-WAY PER CITY OF TWO RIVERS ORDINANCE 5-6-24

I hereby request to place a dumpster/storage container in the public right-of-way. I have read and understand information given below and will comply with any and all conditions listed. **Please be advised that approval from the City of Two Rivers must be obtained prior to placement.**

Applicant Name _____

Applicant Address _____

Phone No. _____ E-mail _____

Address for Placement (if different from above) _____

Date dumpster/storage container to be placed _____ Date to be removed _____

Description of Project _____

Placement of a dumpster/storage container on the street is discouraged due to traffic safety considerations. **Approval will be granted in extreme cases only where it is not possible to place the dumpster/storage container on private property.** A dumpster/storage container placed in a street right-of-way must be made visible using the following method:

Barricades approved by the Director of Public Works, or designee, are placed on both ends of dumpster/storage container. Flashing lights must be placed on the barricades when they remain in place at any time from 4:00 p.m. to 8:00 a.m. Barricades with flashing lights will be rented from and placed by the Two Rivers Public Works Department. It is the resident's responsibility to notify the Public Works Department at the time the dumpster/storage container is delivered by calling 793-5576 or 793-5539. A rental fee of \$5 per day for two barricades with flashers will be charged to the resident after barricades have been removed and rental fees calculated.

At times when the dumpster is not directly being used (i.e. overnight), the dumpster must be secured to prevent debris from blowing out of the dumpster. The City of Two Rivers shall not be held liable for any illegal dumping of refuse in the dumpster.

The Two Rivers City Manager, the Two Rivers Police Chief, or the Two Rivers Director of Public Works, or designee, may order the dumpster/storage container removed at their discretion, with the resident responsible for all costs.

I agree that I will indemnify and hold harmless the City of Two Rivers from any and all claims, actions, liabilities, demands or obligations of any nature whatsoever arising from the placement of a dumpster/storage container in the public right of way pursuant to this permit, including reasonable attorneys fees and expenses.

I agree to comply with all applicable laws, ordinances, regulations, and any special conditions, restrictions, or orders as may be imposed by the Director of Public Works or his/her designee.

Applicant's Signature _____ DATE _____

The request for placement of dumpster/storage container in public right-of-way as described above has been reviewed and is hereby approved subject to the following additional specific conditions:

DATE APPROVED _____

Director of Public Works, or designee

CC: Two Rivers Police Department
Two Rivers Public Works
Two Rivers Engineering Department
