

**RESOLUTION**

*Establishing Fees for Permits and Related Plan Review Activities as Required by provisions of Chapters 5 and 6 of Title 4 of the Municipal Code*

**WHEREAS**, Chapters 5 and 6 of Title 4 of the Municipal Code, titled "Construction Site Erosion Control Ordinance" and "Post Construction Storm Water Management Ordinance," respectively, were recently adopted by the City of Two Rivers, in response to State mandates related to the reduction of total suspended solids in storm water runoff from construction sites and from completed new developments in the city; and

**WHEREAS**, each of these ordinances requires that land developers acquire certain City permits, and also includes provisions for charging fees for such permits; and

**WHEREAS**, it is appropriate that the City establish such fees, to reasonably recoup its costs incurred in the provision of State-mandated serviced associated with the issuance and administration of these permits;

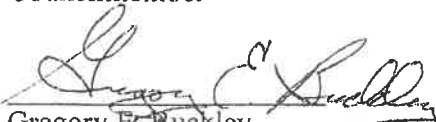

**NOW, THEREFORE, BE IT RESOLVED**, that the City Council of the City of Two Rivers approves the following fee schedule be adopted as the schedule related to the Municipal Code, effective October 11, 2008
