2. Reminder: Clear Snow from Sidewalks w/in 24 Hours After Snowfall

NOTICE IS HEREBY GIVEN TO PROPERTY OWNERS, LEASEES, AND OCCUPANTS that snow and ice shall be removed from any public sidewalk within 24 hours from the time when the snow ceases to fall. For corner lots, this includes the sidewalk and any ramps.

If such snow or ice is not removed, the City Manager or City Engineer may cause such to be removed. The City shall bill the cost of such removal to the property owner and, if said bill is not paid by the property owner, shall insert such cost in the tax roll as a special tax and lien against the premises.

The cost of such removal shall include the City's reasonable costs for establishing an incident report/file for the violation, for site inspection and documentation of the violation, and for producing and mailing the related billing, in addition to the labor, equipment and material costs incurred in clearing the sidewalk of snow and/or ice.

For the second and any subsequent violations of this section within any November 1 through April 30 period, the owner of said property may be subject to a forfeiture of \$150 plus court costs, in addition to any billing for snow and ice removal by the City. (New in 2021).

Blowing or depositing snow or ice in the street is against the law. Offenders are subject to fines in accordance with the Two Rivers Municipal Code 4-1-12. The Police Department or the City Engineer may enforce this section.

6. Winter Parking Ban Began December 1

Enforcement of the overnight parking ban has been held in abeyance, so far this season, due to lack of any significant snowfall.

The Police Dept. and City Manager's Office are working to limit enforcement to times when the parking restriction is needed, based on the weather forecast, actual weather conditions and the status of snow or ice cleanup activities following storm events.

Watch the Two Rivers Police Department and Two Rivers City Hall Facebook pages and City Website for updates.
