

*Help us reach our goal!*

The community support for the Central Park West 365 Project has been tremendous so far and we are at over 65% of our \$800,000 fundraising goal. In order to get this project under construction by the end of 2022 we need to raise the remainder of the funds now. Your donation can be recognized by placing your business name and/or logo along the seating wall or in brick pavers in front of the Schmitt Brothers Stage. Don't wait! Add your company name to the list of corporate donors today!

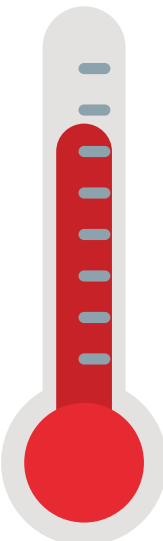

Donation recognition available on the seating wall along the skating loop. Each section will feature your company logo and name on the seating wall that faces the interior of the park. \$15,000 sponsorship for a section with a 12" x 42" plaque or \$10,000 sponsorship for a section with a 12" x 18" plaque.

Brick pavers available in various sizes. See brick paver order form for more details.
