If you are wanting Evergreen\soft wood or large diameter logs, please state so here:

\_\_\_\_\_

I, \_\_\_\_\_, understand that there is a \$50 fee for the City to deliver a load of wood and that I am requesting.

\_\_\_\_\_ I understand that the wood will be dumped at the address I have given and dumped as close to the area I have described above.

\_\_\_\_\_ I understand that the city is not responsible for any marks/damage to the dump site area caused by the wood drop off.

\_\_\_\_\_ I understand that by asking for wood delivery I agree to having wood dropped off at the City's convenience, (Work hours M-F).

\_\_\_\_\_ I understand that a "load" refers to a full pickup size dump truck and the wood will be NON-PROCESSED LOGS.

\_\_\_\_\_ I understand that if I no longer want wood delivered it is up to me to contact the Parks & Rec Dept to have my name removed from the list.

All firewood provided by the City is sold strictly "AS-IS." The City makes no warranties or guarantees regarding the condition, burnability, or moisture content of this wood. This wood is uncertified and untreated. The buyer assumes all responsibility for the wood upon delivery or pickup.

**DO NOT REMOVE FROM MANITOWOC COUNTY** Because Manitowoc County is under state and federal quarantine for invasive pests (including the Emerald Ash Borer and Spongy Moth), it is illegal to transport this uncertified firewood outside of Manitowoc County. Moving this wood out of a quarantined county violates state law and may subject the transporter to fines.

\*All loads delivered will be as consistently full as possible. We will only deliver hard wood and will not dump large diameter logs. Evergreen and large diameter wood would have to be specifically asked for.
